| Number of seats filled against seats reserved (Data Template) | <u>View File</u> |

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Identification of slow and advanced learners

The identification of advanced learners and slow learners are based on their academic performance in the examinations like unit tests, and terminal exams, on a regular basis; the performance of the student is evaluated. Along with these teachers are observed the knowledge, communication, writing, and speaking skills of the students which also help in the identification of slow and advanced learners.

Working on slow learners: Most of the students are found with problems such as poor writing skills, weak speaking ability, weak communication, due rural and poor background .ollege conducts extra classes for such students in order to make their basics clear related subjects. The teachers of the college give home assignments, monitor their class attendance, and provide question papers of previous examinations. Along with this, we organized guest lectures, workshops, seminars, departmental activities, competitive examination-related lectures, career counseling activities, etc

Working on advanced learners: Many students show their ability through their academic performance in the unit tests, terminal examinations, communication skills, and interaction with teachers we keep such students in the category of advance learner. The institution provides an open-access facility in the library through an internet resource center; more books are provided to such students through the departmental library. The teachers

always motivate the students to participate in quiz competitions, seminars, group discussions, and gives them an opportunity to express themselves. College also encourages such to participate in university, state, interuniversity competitions like seminar competitions, posters, quizzes etc.

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

| Number of Students | Number of Teachers |
|--------------------|--------------------|
| 1235 | 30 |

| File Description | Documents |
|----------------------------|------------------|
| Any additional information | No File Uploaded |

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experimental Learning

Laboratory work: - Students of the science stream perform regular practical's in the laboratory as given in their syllabus.

Field Visit/ Tour: - Botanical excursion tour and Bird watching, industrial visit, educational tours are organized by other streams also. College has functional MoU for the Field visits, workshop and tours.

Assignments: - Assignments are given to the students for the selfpreparation of students. S. Y. students of all the stream having environmental science subject in their curriculum, in which students are allotted field-based projects.

Workshops: - Every department conducted the workshop for the which related to the subjects, it gives an idea and information to the

students regarding experimental learning and experimental approach related their subjects.

Participative Learning

Departments are organized guest lectures, workshops, seminars, activities for the students from which students can gain knowledge for their academic development. Students participate in competitions like Seminars, quizzes, debates organized at the college level and also at the university, state level. To improve social awareness students are encouraged to participate in social activities through NSS. To improve environmental awareness students are encouraged to arrange and participate in environmental awareness activities. In order to develop skills, students are encouraged to participate in cultural, sports activities.

Problem-solving methodologies

Competitive examination guidance, career counseling-related activities help them to get way in the future. The environmental awareness-based activity gives them knowledge related to environmental issues and solutions-related activity. Social activity, awareness programs, social work, through NSS teach them about society, their problems.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college adopts an internal assessment system prescribed by RTM Nagpur University for the evaluation of the students.CIE (Continuous Internal Evaluation) is an important parameter of the teaching-learning process of any institution.

Internal assessment system already mentioned in academic calendar unit test and terminal examinations are conducted as per mentioned in the calendar. For terminal examinations, the paper setting is done as same as the university examination pattern. Attendance of students is monitored by each faculty member and a record of attendance is maintained by each department.

The assignment is given to the students on different topics, students must complete this assignment and submit it to the respective subject teachers. Teachers are making the evaluation of assignments in front of the students and try to solve the all queries of students. Record of assignment submission is maintained by the department.

For some streams project to be submitted which given to the students by respective departments along with this viva-voce to be conducted. Data-related project submission and viva-voce maintain by the department.

The practical examination should be conducted for the science stream for that internal and external examiner is provided by the university. Marks are given to the students depending on performance in practical and viva-voce.

Environmental studies are made compulsory for the students of S. Y. of all the streams of UG. Grade has to be given to the students depending on the submission of the project and examination

conducted.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

College-level Grievances:

Internal marks and practical marks and environmental studies grades are given to the students on the basis of their performance. As per the university norms these are directly sent to the university without showing/ displaying to the students.

At University level:

Students can face the grievance-related examination are as mention below for that students must follow the procedure mentioned by the university.

Correction in the subject offered:- While filling the online exam forms of the subjects offered by the students are not correctly reflected on the screen in such cases the university provides 3 Days time to the college to submit such grievances of the students.

Correction in Name on Hall Ticket: Hall Tickets issued to the students do not carry the correct name of the student concerned. In such cases, the university gives 7 Days time to get the hall ticket corrected through the institute.

Correction in Subject Offered on Hall Ticket: In some cases on hall ticket of student the subject offered are different from the actual subject in such case university gives 7 Days time to get the hall ticket corrected through the college.

Re-valuation & Recounting: If students are not satisfied, they can apply for revaluation or recountings per the university's declared deadline from the declaration of result. The grievances are submitted to the university by the college along with

prescribed fees. The university declares a time frame every year for submission of marks-related grievances and declaration of results.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Arvindbabu Deshmukh Mahavidyalaya Bharsingi present at rural region of Tah. Narkhed, Dist. Nagpur. Students from surrounding region came here to learn UG courses B.A., B.Com., and B.Sc. along with this one PG course M.A. (Marathi) and M.Com. During running such courses, we make students aware of outcomes of program and course outcomes.

To achieve the course outcomes our faculty members, take so much effort around the students and also make planning so that students can achieve maximum from the courses. For that faculties are always focused on teaching complete syllabus to the students, conduct guest lectures. Workshop, seminars, assignments in order to give them learn maximum about the course. Evaluation of students can be done through the unit test, terminal examinations, quiz competitions, seminar activities etc. University examination results one of the ways to find course outcome and our college show the good university results.

Course outcomes (CO'S) and Program outcomes (PO'S) can also motioned through the numbers of students going for higher education that is students progression, every year many students are taking admission from UG to PG. Along with this students placements also show attainments of PO'S and CO'S, students from our college place every year in different sector such government jobs, civil services, private jobs in companies etc.

Students' progression and placement data available at college website.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Institute consider attainment Program Outcomes (POs), and Course Outcomes (COs) are mainly depend on the factors such as university results, students progression, students placement, students achievements etc.

During the academic session college prepared an internal evaluation mechanism through conduction of unit test, terminal examination, assignments, practical's, student seminar, student's participation in different social, cultural sports activities. This mechanism also helps students to improve the university results.

In order to fulfill the need of poor, needy, and socioeconomically backward students of this region, the institution has introduced PG program in Arts. The overwhelming response in PG program shows the success itself. Students from Science and Commerce UG program also show good progression ratio to higher education.

College work in area of sports, culture, social, competitive examination guidance, career counseling etc in order so that students can make the progress and achieve in different areas. Results of this some students get placement in government jobs and in private sectors, students achieve awards in sports at National, state, and university levels

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Students are mostimportant stakeholder of college and they are the main pillar of the Nation and society. It is important that youth should be aware of the history of the nation, social issues in society, the importance of education, health hygiene, in order to prepare them for their future and to be aware of their role in society. In accordance with that social activities play very much important role, such activities give them the opportunity to interact with society, to gain knowledge about enthusiastic people their history and work.

The institution organized various extracurricular activities and extension activities under the head of NSS, Gender Sensitization, Awareness Rallies, Campaign, Health Check-up Camps, Blood Donation

Page 31/135 12-09-2023 11:58:29

Camps, Swachhata Bharat Abhiyan, Covid vaccination camp, AIDS Awareness, etc. College also form an ECO-CLUB through which environment awareness program such as rallies, Guest lectures, workshop, quizzes are organize to aware them about the environment situation, problems and encourage them to find solutions. During the academic session there so many restrictions are come to the college because of that college face many problems in organizing such activities. It is important to celebrate international and national days to make students aware of their importance so this year we organized such activities like Yoga Day, Independence day, constitution day, Vaachan Prerna Diwas, Marathi Rajbhasha Din, Library day Aids day, Republic day, Women's day, Science day Death and birth anniversary of great peoples, etc.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION

To become a center of quality education by promoting high academic and social pursuit and competencies of students of the rural regions for all-round development

MISSION

To impart higher education for all-round development of students of rural areas and provide them an opportunity to make them competent for development in society

In accordance with this College Development Committee (CDC) is constituted as per the norms of the Maharashtra University Act. Executive committee members, teachers, non-teaching staff members, and students are members of the CDC. IQAC consists of the stakeholders directed by NAAC. The institution consults IQAC and CDC for making key policy decisions and considering important proposals for the development of the institution.

To enhance the quality of education, the institute provides all the required facilities to the stakeholders. Qualified teachers are appointed to enhance the teaching and learning of the students. Maximum students belong to rural areas so many students face problems during higher education such as poor English, weak communication skills, less interaction with teachers, lack of confidence, etc. to overcome such issues various activities through guest lectures, workshops, NSS activities, cultural program, seminars, social activities, competitions, etc. are organized as per the academic calendar which helps them to get confidence and opportunity to express themselves.

Along with quality education institutes also aim to provide skill-based programs to the students which may give them the opportunity to learn some skill-based activities and try to make themselves self-employed. For that college also run some self-financed certificate courses.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college has a College Development Committee (CDC) formulated according to Maharashtra University Act 2016. It acts as a link between management and the college. Meetings of CDC are held regularly to discuss matters related to college development,

student and faculty development. IQAC is established in the college and plays a pivotal role at academic and administrative levels. During the year many events are organized.

- ICSSR and WRC funded National Seminar
- National, state level workshops and webinars
- State level, University level competitions, sports events
- Conduction of Green audit
- Participation in NIRF

Case study: - Conduction of Green Audit for session 2021-22

Discussion regarding green , environment and energy audit has been discuss in meeting of CDC and budget for development and audit also discussed and get sanctioned of it from management members in CDC. After a positive response from the management committee, in the meeting of IQAC discussion has been made on the conduction of Green audit. The different committee has been formed, work has been distributed among the committee conveners and members of IQAC, Infrastructure development and Utilization committee, Green audit committee etc. College conducted successfully green , environment and energy audit for the academic session 2021-22.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/perspective plan is effectively deployed

IQAC play a key role in overall development of the college, suggestion by the IQAC given to the Principal regarding academic, administrative, infrastructural development, which put forward by the Principal in the meeting of CDC. As per the suggestion of management body plan has been prepared for implementation of suggested work.

Perspective Plan deployement

 To start the new PG courses M. Com. and M.Sc. in Chemistry and Botany subjects, college got the permission for M. Com, PG course

- To add more new certificate courses in affiliation with university, college run the 04 certificate courses affiliated to university
- Infrastructure has been developed for the administrative use
- To improve in research publication and patents, college having 18 UGC listed papers and many in peer reviewed journal. One patent published in department of Botany.
- As per academic calendar all the activities are conducted like Guest lecture, seminar, workshop, conference, NSS activity, sports activity, cultural activity, examinations etc. To follow the plan and conduct the all activities
- To conduct conference funded by the government agencies, college conduct two days conference on NEP-2020 funded by ICSSR New Delhi and WRC Mumbai. Along with this college conducted other National level conference and workshops.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

College Development Committee is the main governing body of the institute headed by the chairperson responsible for policymaking and budget approval. The institutional decisions are made by the Principal in consultation with management. Faculty and various committee/cell in-charges are directed by the Principal. IQAC monitor the functioning and working of all the committees.

The institute strictly follows the statutory norms and procedures in the recruitment and promotion of academic and administrative staff. The recruitment and promotional policies are designed by the regulatory authority and affiliating authority UGC, the Maharashtra government, and University. It is mandatory for the institution to follow the recruitment and promotion policy of these bodies.

The promotional policy of the institution is transparent and impartial. The promotional procedure for teaching faculty is based on PBAS recommended by UGC and the affiliated university. IQAC monitors and co-operates in the process of the Career Advancement Scheme (CAS). The Confidential Reports of non-teaching staff are prepared by the head of the institution and sanctioned by CDC for promotion to higher positions.

For recruitment, university constituted selection committee which conduct the interview and selection done on basis of marking system and interview.

Institute has constituted internal complaint committee (ICC) and anti-raging committee and their functioning monitor by IQAC and convener and members.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

For teaching staff

All the teaching staff submits a Performance Based Appraisal System (PBAS) each year based on the performance appraisal norms

suggested by the UGC and affiliated university.

- 1. Teaching, Learning, Evaluation activities
- 2. Co-curricular, extension, professional development activities
- 3. Research publications

Every year the performance of teachers observe by the IQAC and the Principal of the institute. Verification and suggestion are given to the teacher for improvement in the next academic session. Promotion of teachers is done through the PBAS system. The proposals of all eligible faculties are forwarded to the JD office through IQAC and the principal for placements and promotions. The staff members have received their due placements after fulfilling the necessary eligibility criteria. The submitted data concerning faculty is taken under consideration for further placements and promotions. The responsibilities of the various committees performed by the faculty members are assessed every year. The Principal also contributes to personal observations and interactions with the faculty members as a measure of performance assessment. Research contributions like the publication of books, chapters in books, editing books, research articles, major and minor research projects, invited talks, etc. contribute to PBAS.

For non-teaching staff

As far as Non-Teaching staff is concerned, each and every non-teaching staff member's confidential report is prepared by the superintendent of the college, and thereafter it is being submitted to the principal for further processing. The principal verifies the CR reports with IQAC based on the observations for the academic year.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling

Page 55/135 12-09-2023 11:58:30

audit objections within a maximum of 200 words

Every year institute conducts an internal and external audit on regular basis.

Internal Audit

An internal financial audit is a continuous process and the accountant mainly takes care of it. Every year at the beginning budget academic, administrative, and physical facility disused and sanctioned. Expenses of the previous year are also taken into consideration for the preparation of the annual budget. During the internal audit, the accountant may give a few suggestions related to some of the finance and stock-related records, giving an opportunity to the institute to address and rectify the same.

External audit

Instituteconducts an external audit every year, a group of external auditors comprising a team of chartered accountants perform the auditing of the institute's financial records and book as per guidelines of the income tax department. For external audit done through chartered accountant firm Sharma and associate Nagpur. This audited report the submitted to the JD office in Nagpur then the Senior auditor and JD office in Nagpur did the assessment of the submitted financial report.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Institute affiliated to the R.T. M. Nagpur university Nagpur and is recognized under 2f and 12B sections by the Maharashtra government. College currently running 02 UG program under grantaid and 01 UG and 02PG program under non-grant-aid basis.

College generated the funds from students' fees and funds for students' development sanctioned through the affiliated university.it was used under different heads for the development of students. For the utilization of the fund, it should be sanctioned through the principal and then the fund is realized through the proper channel. Every year fund was used in the proper channel, in order to maintain a record and proper management.

In order to make any infrastructural work, it will be done through the UGC scheme or from financial support through the executive management. In both cases proposal is to be prepared and put forward through a proper channel. After getting sanctioned the fund is utilized in a proper way under the observation of the Principal and IQAC.

Every year financial audit is conducted through external agencies so that utilization of funds is generated in audit reports.

6.5 - Internal Quality Assurance System

Page 57/135 12-09-2023 11:58:30

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC contributed significantly to institutionalizing quality assurance, it can be shown by the following initiative taken by IQAC. Every year IQAC prepare the plan for quality assurance and also monitor the planning and functioning of plan. IQAC also work for the development of institute and stakeholders for that initiative are taken every year. During year following initiative are taken.

Participation in NIRF

IQAC take initiative for participation in NIRF ranking, regarding this registration has been done on NIRF portal and college uploaded the required data for overall and college ranking frame work system and college successfully participated in NIRF ranking framework system.

Institutional scholarship for students

Discussion has been done in IQAC meet to start the institutional scholarship for the students from academic session 2021-22. Proposal of scholarship has been sanctioned by the management. The committee has been formed by the IQAC for preparing guidelines and proper working. The institutional scholarship has been distributed to the 11 students of 22000/- on occasion of Arvind smruti din 19 September 2022.

Along with this initiative IQAC prepare an perspective plan and academic calendar for the working during academic session. It includes the complete curriculum of the college. Review has been taken regarding the perspective plan and academic calendar in the meetings of IQAC and also initiatives are taken to make these curriculum planning successful.

| File Description | Documents |

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Page 58/135 12-09-2023 11:58:30

IQAC always takes the initiative to enhance the teaching-learning process and also for the student's development through curricular and extra-curricular activities.

IQAC prepare academic calendar before the start of session. In this academic calendar along with traditional teaching methods many activities are included which help students to learn more effectively such as guest lectures, workshops, seminars, competitions, awareness program etc. IQAC also monitor the conduction of these activities.

The college has many ICT facilities for the students such as 04 classrooms and 01 audio-visual room with Screen, projector, LAN, a sound facility which was regularly used during the teaching-learning process. Teachers also used a PPT bank, a question bank, videos, guest lectures, workshops, tours, etc. for making the teaching-learning process more effective.

Along with teaching learning for development and for future aspect college also organize different events in sports which include sport competitions at National, state, university level. Cultural events such as annual gathering, fresher programs, singing competitions. NSS events include regular activity, awareness program, NSS camp. Competitive examination guidance, career counselling program etc.

Examination and Evaluation

The examination is the best way the evaluation of students so we regularly adopted examination schemes such as conducting unit tests and terminal examinations for the students. It helps us and students also their evaluation. Along with this students are given assignments, seminar activities, quizzes, and participation in competitions at different levels organized activities also help the evaluation of students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Goal:-To aware about the environment in which they leaving and how they can make it sustainable.

Objectives: To make the students aware regarding environment related problems and how to work on them and to develop intrest in students to work on making environment sustainable

Context:-During the year on different occasion through different activities such as guest lectures, workshops, quizzes and awareness program.

The Practice: - During the year we conduct different environment base activites through Eco-club.Link of progamme conducted avaible on college website

Evidence of SuccessEvery department successfully conducted allotted activity during that year students forund satisfied with

the information they got.

Problem EncounteredExtra time needed to conduct such activity and Disturbance in regular academic schedule

LimitationsStudents participation depend on their intrest

Practice 02:- Importance of competitive examination lecture series and career conselling

Goal: - Toaware students regarding importance and future in competitive examination and career opportunities.

Context:-Competitive examination give each and every one equal opportunity to show their strength and get benifited from that.

The Practice:-During the year different expert guest are invited from different areas who share the knowledge, Link of activity available at college website.

Evidence of Success Events are conductedand stucents found satisfied with knowledge they received., Students started study forcompetitive examination career.

Problem EncounteredMany guest are conducted the lecture in online mode as they cannot afford to come to college, Extra expenditure required.

Limitations: Due to college schedule not possible to arrarnge many activities.

| File Description | Documents |

| Best practices in the Institutional web site | <u>View File</u> |
| Any other relevant information | No File Uploaded |

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Aim: - As the college is in rurl area students having less opportunity to explore themselves due to the lack of proper guidance, financial situation etc. Competitive examination is best opportunity for them to make their future bright. So we want to

make them aware regarding importance and future in competitive examination.

During the year different expert guest are invited from different areas who share the knowledge, expeience and importance of competitive examninations. Following lectures are conducted during the year.

- Lecture 1 by Manoj Choudhry PI Jalakheda & Shri. Shashikant Shinde Nagpur Division Coordinator, Maharashtra Gyan Mahamandal Pune
- Lecture 2 by Mr. B. B. Madavi convener of cell talk on career katta by Maharashtra Government
- Lecture 3 by Sudip Meshram, Dept of GeographyVasantrao Naik Govt. Institute of Arts and Social Science College, Nagpur
- Lecture 4 by Mr. Vijay Rahangdale Assistant Professor, Dept of Economics Arvindbabu Deshmukh Mahavidyalaya
- Lecture 5 Mr. Pravin Vasu , Assistant Professor, Dept of Library, Arvindbabu Deshmukh Mahavidyalaya
- Lecture 6 by Dr. Rajendre Ghorpade, Assistant Professor, Dept of Pol. Sci, Arvindbabu Deshmukh Mahavidyalaya
- Lecture 7 by Dr. Pitambar Gayakwad, Assistant Professor, Dept of Mathematics Arvindbabu Deshmukh Mahavidyalaya
- Lecture 8 by Vedprakash Borkar, National Sanskrit University Tirupati
- Lecture 9 by Dr. Atul Charade, Management studies Katol

Students get general idea regarding competitive examination and different career options many students start to do the studies in library of college regarding competitive examinations.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

- 1. Affiliation: College affiliated to the Rashtrasant Tukadoji Maharaj Nagpur University Nagpur.
- Academic Calendar: It was prepared and constructed as per RTMNU, Nagpur schedule, and guidelines along with our departmental requirements and social too and action plan formed.
- 3. Time Table: It was prepared as per the strength of students, required time period, and workload distributed.
- 4. Syllabus: Mostly, affiliated colleges worked on the syllabus given by the university via its board of studies under the Maharashtra and UGC acts.
- 5. Teaching methods: Along with the traditional teaching, teaching with ICT tools for that college has smart classrooms. Departments also use different teaching methods for students like guest lectures, workshops, seminars, quiz competitions, etc.
- 6. Evaluation: It includes unit tests, mid-semester and end semester exams, seminars, viva, seminar, assignments, and many more. The said patterns differ stream-wise. However, universities have full authority to conduct final exams each semester at the end of educational sessions.
- 7. Internal and Practical Submission: Each departmentsubmit internal, external, and practical marks through the university's online portal. Internal marks submission depends on the evaluation process of the college.
- 8. Extra-Curricular Activities: Colleges always take an effort in organizing extra-curricular activities through NSS, Sports, Cultural activities, Social activities, etc.
- 9. University Exam: Students' final exam in each semester has been conducted by the affiliated universities as per the schedule provided by them. The final result of the exam was also displayed by the university.
- 10. Feedback: Feedback is collected from the stakeholders, suggestion given by them and college try to improve.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

College affiliated with the RTM Nagpur University so the college academic calendar was prepared and constructed as per RTM Nagpur University's provided schedule. The academic calendar for college as well as for each department has been prepared.

IQAC and the Academic calendar committee play an important role in the preparation of the academic calendar. Academic calendar prepared for which gives details of all academic and administrative events that take place in the institution. The IQAC of the institution plays a very substantial role in maintaining the academic calendar for the conduct of continuous internal evaluation of the students. At the beginning of the academic session, Academic Calendar Committee prepares the academic calendar and makes it available to the students and the faculty.

The academic calendar specifies all activities to be conducted in the academic year which includes teaching-learning schedule, university, and institution exam schedule, holidays, cocurricular and extra-curricular activities, unit tests, terminal examinations, Guest lectures, workshops, national days, camps, excursion and educational tours, field visits, parents-teachers meets, alumni meet, the anniversary of founder president, annual gathering, etc. IQAC keeps watching so that these activities are conducted properly.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Professional Ethics and Human Values:

- Birth and death anniversaries of National importance peoples, Celebration of National and International days are celebrated through online/offline mode
- Celebration and awareness program on occasion of constitution day, voter day, consumer day, world water day, ozone day, environment day, wild life day such days are celebrated on regular basis.
- To aware the people in society many program such as rallies and social activities are conducted in nearby villages such as swachha bharat abhiyan, plastic free environment rallies, water day rallies, survey on girls education, women education etc.

Page 76/135 12-09-2023 11:58:30

Gender Sensitivity and Equality: Institute believes in the equality of boys and girls students and we promote them equally to participate in different Curricular/Extra-curricular activities. It is important to make the girl students and women in society aware of the safety, hygiene, health, etc. considering this college has a Women's cell committee, an Internal complaint committee through which different activities are organized.

Environment and Sustainability:

- Institute gives much importance to Environment and Sustainability. College has eco-club and under which different activities such as guest lectures, workshops and quizzes are conducted. During last few years so many activities are conducted.
- In the university curriculum for S.Y. students, there is an environment subject through which environment study, project work, and examination are conducted.
- Along with this college has a 10KV rooftop solar project, use maximum LED bulbs, Wheeling to the grid unit available. Institute has Water harvesting unit, Borewell recharge, and water bodies on college premises.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Identification of slow and advanced learners

The identification of advanced learners and slow learners are based on their academic performance in the examinations like unit tests, and terminal exams, on a regular basis; the performance of the student is evaluated. Along with these teachers are observed the knowledge, communication, writing, and speaking skills of the students which also help in the identification of slow and advanced learners.

Working on slow learners: Most of the students are found with problems such as poor writing skills, weak speaking ability, weak communication, due rural and poor background .ollege conducts extra classes for such students in order to make their basics clear related subjects. The teachers of the college give home assignments, monitor their class attendance, and provide question papers of previous examinations. Along with this, we organized guest lectures, workshops, seminars, departmental activities, competitive examination-related lectures, career counseling activities, etc

Working on advanced learners: Many students show their ability through their academic performance in the unit tests, terminal examinations, communication skills, and interaction with teachers we keep such students in the category of advance learner. The institution provides an open-access facility in the library through an internet resource center; more books are provided to such students through the departmental library. The teachers always motivate the students to participate in quiz competitions, seminars, group discussions, and gives them an opportunity to express themselves. College also encourages such to participate in university, state, interuniversity competitions like seminar competitions, posters, quizzes etc.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experimental Learning

Laboratory work: - Students of the science stream perform regular practical's in the laboratory as given in their syllabus.

Field Visit/ Tour: - Botanical excursion tour and Bird watching, industrial visit, educational tours are organized by other streams also. College has functional MoU for the Field visits, workshop and tours.

Assignments: - Assignments are given to the students for the self-preparation of students. S. Y. students of all the stream having environmental science subject in their curriculum, in which students are allotted field-based projects.

Workshops: - Every department conducted the workshop for the which related to the subjects, it gives an idea and information to the students regarding experimental learning and experimental approach related their subjects.

Participative Learning

Departments are organized guest lectures, workshops, seminars, activities for the students from which students can gain knowledge for their academic development. Students participate in competitions like Seminars, quizzes, debates organized at the college level and also at the university, state level. To improve social awareness students are encouraged to participate in social activities through NSS. To improve environmental awareness students are encouraged to arrange and participate in environmental awareness activities. In order to develop skills, students are encouraged to participate in cultural, sports activities.

Problem-solving methodologies

Competitive examination guidance, career counseling-related activities help them to get way in the future. The environmental awareness-based activity gives them knowledge related to environmental issues and solutions-related activity. Social activity, awareness programs, social work, through NSS teach them about society, their problems.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

- There are four ICT-enabled classrooms that are equipped with LCD projectors, a sound system, visualization, and a LAN connection.
- 2. There is one audiovisual room for conducting programs and activities which is equipped with LCD projectors, a sound system, a visualizer, a LAN connection, and a Smart podium.
- 3. The institution has installed a Wi-Fi unit for the students inside the campus with a speed of 30 MBPS.
- 4. In the library, four computers with internet facilities are available for the students to use as a network resource center.
- 5. Faculty members make use of PPT during the teaching which makes the teaching more effective.
- 6. During academic sessions using this online platform all

the student's related activities such as lectures, guest lectures, seminars, workshops, and awareness activities are conducted for the students using tools such Zoom platform, Whatsapp, you-tube, Google form, Google classroom, etc.

- 7. The language lab is functional in the institution enabled with 25 computers, one server, and a LAN network.
- 8. INFLIBNET (N-LIST) and allied e-resources are made available free of cost. It has a good number of e-journals and e-books.
- 9. The library has a cloud-based library automation software LIB-Man which is a fully automated, barcode system also available in the library.
- 10. College organized International, National conferences, workshops, state level, local quizzes, posters, and competitions using online platforms.
- 11. The institution issued separate PCs and printers to each department.
- 12. Many faculties completed orientation courses, refresher courses, FDPs, webinars, workshops, seminars, and conferences related to ICT use or innovation in teaching-learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college adopts an internal assessment system prescribed by RTM Nagpur University for the evaluation of the students.CIE (Continuous Internal Evaluation) is an important parameter of the teaching-learning process of any institution.

Internal assessment system already mentioned in academic calendar unit test and terminal examinations are conducted as per mentioned in the calendar. For terminal examinations, the paper setting is done as same as the university examination pattern. Attendance of students is monitored by each faculty member and a record of attendance is maintained by each department.

The assignment is given to the students on different topics, students must complete this assignment and submit it to the respective subject teachers. Teachers are making the evaluation of assignments in front of the students and try to solve the all queries of students. Record of assignment submission is maintained by the department.

For some streams project to be submitted which given to the students by respective departments along with this viva-voce to be conducted. Data-related project submission and viva-voce maintain by the department.

The practical examination should be conducted for the science stream for that internal and external examiner is provided by the university. Marks are given to the students depending on performance in practical and viva-voce.

Environmental studies are made compulsory for the students of S. Y. of all the streams of UG. Grade has to be given to the

students depending on the submission of the project and examination conducted.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, timebound and efficient

College-level Grievances:

Internal marks and practical marks and environmental studies grades are given to the students on the basis of their performance. As per the university norms these are directly sent to the university without showing/ displaying to the students.

At University level:

Students can face the grievance-related examination are as mention below for that students must follow the procedure mentioned by the university.

Correction in the subject offered: - While filling the online exam forms of the subjects offered by the students are not correctly reflected on the screen in such cases the university provides 3 Days time to the college to submit such grievances of the students.

Correction in Name on Hall Ticket: Hall Tickets issued to the students do not carry the correct name of the student concerned. In such cases, the university gives 7 Days time to get the hall ticket corrected through the institute.

Correction in Subject Offered on Hall Ticket: In some cases on hall ticket of student the subject offered are different from the actual subject in such case university gives 7 Days time to get the hall ticket corrected through the college.

Re-valuation & Recounting: If students are not satisfied, they can apply for revaluation or recountingss per the university's

declared deadline from the declaration of result. The grievances are submitted to the university by the college along with prescribed fees. The university declares a time frame every year for submission of marks-related grievances and declaration of results.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Arvindbabu Deshmukh Mahavidyalaya Bharsingi present at rural region of Tah. Narkhed, Dist. Nagpur. Students from surrounding region came here to learn UG courses B.A., B.Com., and B.Sc. along with this one PG course M.A. (Marathi) and M.Com. During running such courses, we make students aware of outcomes of program and course outcomes.

To achieve the course outcomes our faculty members, take so much effort around the students and also make planning so that students can achieve maximum from the courses. For that faculties are always focused on teaching complete syllabus to the students, conduct guest lectures. Workshop, seminars, assignments in order to give them learn maximum about the course. Evaluation of students can be done through the unit test, terminal examinations, quiz competitions, seminar activities etc. University examination results one of the ways to find course outcome and our college show the good university results.

Course outcomes (CO'S) and Program outcomes (PO'S) can also motioned through the numbers of students going for higher education that is students progression, every year many students are taking admission from UG to PG. Along with this students placements also show attainments of PO'S and CO'S, students from our college place every year in different sector such government jobs, civil services, private jobs in companies etc.

Students' progression and placement data available at college website.

| File Description | Documents |
|--|------------------|
| Upload any additional information | No File Uploaded |
| Paste link for Additional information | Nil |
| Upload COs for all courses (exemplars from Glossary) | No File Uploaded |

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Institute consider attainment Program Outcomes (POs), and Course Outcomes (COs) are mainly depend on the factors such as university results, students progression, students placement, students achievements etc.

During the academic session college prepared an internal evaluation mechanism through conduction of unit test, terminal examination, assignments, practical's, student seminar, student's participation in different social, cultural sports activities. This mechanism also helps students to improve the university results.

In order to fulfill the need of poor, needy, and socioeconomically backward students of this region, the institution has introduced PG program in Arts. The overwhelming response in PG program shows the success itself. Students from Science and Commerce UG program also show good progression ratio to higher education.

College work in area of sports, culture, social, competitive examination guidance, career counseling etc in order so that students can make the progress and achieve in different areas. Results of this some students get placement in government jobs and in private sectors, students achieve awards in sports at National, state, and university levels

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Students are mostimportant stakeholder of college and they are the main pillar of the Nation and society. It is important that youth should be aware of the history of the nation, social issues in society, the importance of education, health hygiene, in order to prepare them for their future and to be aware of their role in society. In accordance with that social activities play very much important role, such activities give them the opportunity to interact with society, to gain knowledge about enthusiastic people their history and work.

The institution organized various extracurricular activities

and extension activities under the head of NSS, Gender Sensitization, Awareness Rallies, Campaign, Health Check-up Camps, Blood Donation Camps, Swachhata Bharat Abhiyan, Covid vaccination camp, AIDS Awareness, etc. College also form an ECO-CLUB through which environment awareness program such as rallies, Guest lectures, workshop, quizzes are organize to aware them about the environment situation, problems and encourage them to find solutions. During the academic session there so many restrictions are come to the college because of that college face many problems in organizing such activities. It is important to celebrate international and national days to make students aware of their importance so this year we organized such activities like Yoga Day, Independence day, constitution day, Vaachan Prerna Diwas, Marathi Rajbhasha Din, Library day Aids day, Republic day, Women's day, Science day Death and birth anniversary of great peoples, etc.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION

To become a center of quality education by promoting high academic and social pursuit and competencies of students of the rural regions for all-round development

MISSION

To impart higher education for all-round development of students of rural areas and provide them an opportunity to make them competent for development in society

In accordance with this College Development Committee (CDC) is constituted as per the norms of the Maharashtra University Act. Executive committee members, teachers, non-teaching staff members, and students are members of the CDC. IQAC consists of the stakeholders directed by NAAC. The institution consults IQAC and CDC for making key policy decisions and considering important proposals for the development of the institution.

To enhance the quality of education, the institute provides all the required facilities to the stakeholders. Qualified teachers are appointed to enhance the teaching and learning of the students. Maximum students belong to rural areas so many students face problems during higher education such as poor English, weak communication skills, less interaction with teachers, lack of confidence, etc. to overcome such issues various activities through guest lectures, workshops, NSS activities, cultural program, seminars, social activities, competitions, etc. are organized as per the academic calendar which helps them to get confidence and opportunity to express themselves.

Along with quality education institutes also aim to provide skill-based programs to the students which may give them the opportunity to learn some skill-based activities and try to make themselves self-employed. For that college also run some self-financed certificate courses.

| File Description | Documents |
|---------------------------------------|------------------|
| Paste link for additional information | Nil |
| Upload any additional information | No File Uploaded |

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The college has a College Development Committee (CDC) formulated according to Maharashtra University Act 2016. It acts as a link between management and the college. Meetings of

CDC are held regularly to discuss matters related to college development, student and faculty development. IQAC is established in the college and plays a pivotal role at academic and administrative levels. During the year many events are organized.

- ICSSR and WRC funded National Seminar
- National, state level workshops and webinars
- State level, University level competitions, sports events
- Conduction of Green audit
- Participation in NIRF

Case study: - Conduction of Green Audit for session 2021-22

Discussion regarding green , environment and energy audit has been discuss in meeting of CDC and budget for development and audit also discussed and get sanctioned of it from management members in CDC. After a positive response from the management committee, in the meeting of IQAC discussion has been made on the conduction of Green audit. The different committee has been formed, work has been distributed among the committee conveners and members of IQAC, Infrastructure development and Utilization committee, Green audit committee etc. College conducted successfully green , environment and energy audit for the academic session 2021-22.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/perspective plan is effectively deployed

IQAC play a key role in overall development of the college, suggestion by the IQAC given to the Principal regarding academic, administrative, infrastructural development, which put forward by the Principal in the meeting of CDC. As per the suggestion of management body plan has been prepared for implementation of suggested work.

Perspective Plan deployement

- To start the new PG courses M. Com. and M.Sc. in Chemistry and Botany subjects, college got the permission for M. Com, PG course
- To add more new certificate courses in affiliation with university, college run the 04 certificate courses affiliated to university
- Infrastructure has been developed for the administrative use
- To improve in research publication and patents, college having 18 UGC listed papers and many in peer reviewed journal. One patent published in department of Botany.
- As per academic calendar all the activities are conducted like Guest lecture, seminar, workshop, conference, NSS activity, sports activity, cultural activity, examinations etc. To follow the plan and conduct the all activities
- To conduct conference funded by the government agencies, college conduct two days conference on NEP-2020 funded by ICSSR New Delhi and WRC Mumbai. Along with this college conducted other National level conference and workshops.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

College Development Committee is the main governing body of the institute headed by the chairperson responsible for policymaking and budget approval. The institutional decisions are made by the Principal in consultation with management. Faculty and various committee/cell in-charges are directed by the Principal. IQAC monitor the functioning and working of all the committees.

The institute strictly follows the statutory norms and procedures in the recruitment and promotion of academic and administrative staff. The recruitment and promotional policies

are designed by the regulatory authority and affiliating authority UGC, the Maharashtra government, and University. It is mandatory for the institution to follow the recruitment and promotion policy of these bodies.

The promotional policy of the institution is transparent and impartial. The promotional procedure for teaching faculty is based on PBAS recommended by UGC and the affiliated university. IQAC monitors and co-operates in the process of the Career Advancement Scheme (CAS). The Confidential Reports of nonteaching staff are prepared by the head of the institution and sanctioned by CDC for promotion to higher positions.

For recruitment, university constituted selection committee which conduct the interview and selection done on basis of marking system and interview.

Institute has constituted internal complaint committee (ICC) and anti-raging committee and their functioning monitor by IQAC and convener and members.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

For teaching staff

All the teaching staff submits a Performance Based Appraisal System (PBAS) each year based on the performance appraisal norms suggested by the UGC and affiliated university.

- 1. Teaching, Learning, Evaluation activities
- 2. Co-curricular, extension, professional development activities
- 3. Research publications

Every year the performance of teachers observe by the IQAC and the Principal of the institute. Verification and suggestion are given to the teacher for improvement in the next academic session. Promotion of teachers is done through the PBAS system. The proposals of all eligible faculties are forwarded to the JD office through IQAC and the principal for placements and promotions. The staff members have received their due placements after fulfilling the necessary eligibility criteria. The submitted data concerning faculty is taken under consideration for further placements and promotions. The responsibilities of the various committees performed by the faculty members are assessed every year. The Principal also contributes to personal observations and interactions with the faculty members as a measure of performance assessment. Research contributions like the publication of books, chapters in books, editing books, research articles, major and minor research projects, invited talks, etc. contribute to PBAS.

For non-teaching staff

As far as Non-Teaching staff is concerned, each and every non-teaching staff member's confidential report is prepared by the superintendent of the college, and thereafter it is being submitted to the principal for further processing. The principal verifies the CR reports with IQAC based on the observations for the academic year.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Every year institute conducts an internal and external audit on regular basis.

Internal Audit

An internal financial audit is a continuous process and the accountant mainly takes care of it. Every year at the beginning budget academic, administrative, and physical facility disused and sanctioned. Expenses of the previous year are also taken into consideration for the preparation of the annual budget. During the internal audit, the accountant may give a few suggestions related to some of the finance and stock-related records, giving an opportunity to the institute to address and rectify the same.

External audit

Instituteconducts an external audit every year, a group of external auditors comprising a team of chartered accountants perform the auditing of the institute's financial records and book as per guidelines of the income tax department. For external audit done through chartered accountant firm Sharma and associate Nagpur. This audited report the submitted to the

JD office in Nagpur then the Senior auditor and JD office in Nagpur did the assessment of the submitted financial report.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Institute affiliated to the R.T. M. Nagpur university Nagpur and is recognized under 2f and 12B sections by the Maharashtra government. College currently running 02 UG program under grantaid and 01 UG and 02PG program under non-grant-aid basis.

College generated the funds from students' fees and funds for students' development sanctioned through the affiliated university.it was used under different heads for the development of students. For the utilization of the fund, it should be sanctioned through the principal and then the fund is realized through the proper channel. Every year fund was used in the proper channel, in order to maintain a record and proper management.

In order to make any infrastructural work, it will be done through the UGC scheme or from financial support through the executive management. In both cases proposal is to be prepared and put forward through a proper channel. After getting sanctioned the fund is utilized in a proper way under the observation of the Principal and IQAC.

Every year financial audit is conducted through external agencies so that utilization of funds is generated in audit reports.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC contributed significantly to institutionalizing quality assurance, it can be shown by the following initiative taken by IQAC. Every year IQAC prepare the plan for quality assurance and also monitor the planning and functioning of plan. IQAC also work for the development of institute and stakeholders for that initiative are taken every year. During year following initiative are taken.

Participation in NIRF

IQAC take initiative for participation in NIRF ranking, regarding this registration has been done on NIRF portal and college uploaded the required data for overall and college ranking frame work system and college successfully participated in NIRF ranking framework system.

Institutional scholarship for students

Discussion has been done in IQAC meet to start the institutional scholarship for the students from academic session 2021-22. Proposal of scholarship has been sanctioned by the management. The committee has been formed by the IQAC for

preparing guidelines and proper working. The institutional scholarship has been distributed to the 11 students of 22000/-on occasion of Arvind smruti din 19 September 2022.

Along with this initiative IQAC prepare an perspective plan and academic calendar for the working during academic session. It includes the complete curriculum of the college. Review has been taken regarding the perspective plan and academic calendar in the meetings of IQAC and also initiatives are taken to make these curriculum planning successful.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC always takes the initiative to enhance the teachinglearning process and also for the student's development through curricular and extra-curricular activities.

IQAC prepare academic calendar before the start of session. In this academic calendar along with traditional teaching methods many activities are included which help students to learn more effectively such as guest lectures, workshops, seminars, competitions, awareness program etc. IQAC also monitor the conduction of these activities.

The college has many ICT facilities for the students such as 04 classrooms and 01 audio-visual room with Screen, projector, LAN, a sound facility which was regularly used during the teaching-learning process. Teachers also used a PPT bank, a question bank, videos, guest lectures, workshops, tours, etc. for making the teaching-learning process more effective.

Along with teaching learning for development and for future aspect college also organize different events in sports which include sport competitions at National, state, university level. Cultural events such as annual gathering, fresher programs, singing competitions. NSS events include regular activity, awareness program, NSS camp. Competitive examination

guidance, career counselling program etc.

Examination and Evaluation

The examination is the best way the evaluation of students so we regularly adopted examination schemes such as conducting unit tests and terminal examinations for the students. It helps us and students also their evaluation. Along with this students are given assignments, seminar activities, quizzes, and participation in competitions at different levels organized activities also help the evaluation of students.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Goal:-To aware about the environment in which they leaving and how they can make it sustainable.

Objectives: To make the students aware regarding environment related problems and how to work on them and to develop intrest in students to work on making environment sustainable

Context:-During the year on different occasion through different activities such as guest lectures, workshops, quizzes and awareness program.

The Practice: - During the year we conduct different environment base activites through Eco-club.Link of progamme conducted avaible on college website

Evidence of SuccessEvery department successfully conducted allotted activity during thet year students forund satisfied with the information they got.

Problem EncounteredExtra time needed to conduct such activity and Disturbance in regular academic schedule

LimitationsStudents participation depend on their intrest

Practice 02:- Importance of competitive examination lecture series and career conselling

Goal: - Toaware students regarding importance and future in competitive examination and career opportunities.

Context:-Competitive examination give each and every one equal opportunity to show their strength and get benifited from that.

The Practice:-During the year different expert guest are invited from different areas who share the knowledge, Link of activity available at college website.

Evidence of Success Events are conductedand stucents found satisfied with knowledge they received., Students started study forcompetitive examination career.

Problem EncounteredMany guest are conducted the lecture in online mode as they cannot afford to come to college, Extra expenditure required.

Limitations: Due to college schedule not possible to arrange many activities.

| File Description | Documents |
