

Wenyan Scholarship PKC, PUNE

A three-day event was held by Wenyan Scholarship PKC, Pune, to launch the WEnyan Program at the BASF Head Office in Mumbai. The event took place from January 15–17, 2024, and included industry visits to Serum Institute of India, Pune, CSIR–NCL, Pune, and PKC Pune. This function and the industrial trip were keenly attended by our college student **Ku. Baleshwari Ashok Shirodiye**, B.Sc. Part III (CBZ) group. For her project, she has also been chosen to receive a 30,000-rupee scholarship.

BALESHWARI A. SHIRODIYE

Arvindbabu Deshmukh Mahavidyalaya, Bharsingi, Tah Narkhed, Dist Nagpur
Hometown: Bharsingi

- ❖ Pursuing my Bachelor's of Science in Chemistry, Botany & Zoology.
- ❖ My WEnyan project is on **"A green synthesis of silver nanoparticles will be designed using *Alangium salvifolium* Wang."**
- ❖ I wish to pursue Masters in Chemistry (Phytochemistry).
- ❖ In the future, I hope to continue on similar lines, associated with Green nanomaterial synthesis and phytochemistry of ethnomedicinal plants.

"The WEnyan Program is a beacon of hope for individuals like me, offering not only financial backing but also a golden opportunity to turn dreams into reality."
